

CLAIMS

What is claimed is:

1. An input device, comprising:
5 a housing;
a first set of keys accessible on an outer surface of the housing, the first set of keys being associated with media playback control; and
a second set of keys accessible on the outer surface of the housing, the second set of keys being associated with control of a computer operation.
10
2. The input device of claim 1, further including a third set of keys associated with control of a television.
3. The input device of claim 1, wherein the second set of keys includes a key
15 associated with opening a file folder on a computer.
4. The input device of claim 1, wherein the device comprises a keyboard.
5. The input device of claim 1, wherein the device comprises a remote
20 control.
6. An electronic system, comprising:
a pedestal base;
an enclosure mounted to the pedestal base;
25 a flat panel display disposed within the enclosure; and
a housing mounted on the pedestal base behind the display, the housing enclosing a processor-based system.
7. The electronic system of claim 6, further comprising:
30 a pair of speakers disposed inside the enclosure with one speaker positioned on each side of the display.

8. The electronic system of claim 7, further comprising:
a subwoofer disposed in the pedestal base.

5 9. The electronic system of claim 7, further comprising:
a subwoofer disposed in the housing.

10 10. The system of claim 6, further comprising:
a wireless input device, comprising:
a second housing;
a first set of keys accessible on an outer surface of the second
housing, the first set of keys being associated with media playback control; and
a second set of keys accessible on the outer surface of the second
housing, the second set of keys being associated with control of a computer operation.

15 11. The system of claim 10, wherein the input device further includes a third
set of keys associated with control of a television.

20 12. The system of claim 10, wherein the second set of keys includes a key
associated with opening a file folder on a computer.

13. The system of claim 10, wherein the device comprises a wireless
keyboard.

25 14. The system of claim 10, wherein the device comprises a remote control.
